Two Accidents Provide Four Injuries; Average Speed of 84 Miles an Hour Far Under De Palma's 1915 Showing

(Republican A. P. Leased Wire)
INDIANAPOLIS, May 30.—Late tonight the race officials announced that errors had been made in the standing of the last three cars to finish and in the time of all the drivers. The winner's time, according to these figures was 3 hours, 34 minutes, 17.51 seconds; D'Alene 3 hours, 36 minutes, 15.28 seconds; and Mulford's 3 hours, 37 minutes and 56.2 seconds. Resta's average was 84.05 miles an hour.

Arthur Johnson took eighth place, Billy Chandler ninth and O. F. Haibe tenth, according to the corrected chart.

INDIANAPOLIS, Ind., May 30.—Dario Resta, easily won the sixth annual international sweepstakes on the Indianapolis motor speedway today, completing the 300 miles in three hours, thirty minutes and 16.82 seconds.

He finished two minutes ahead of Wilbur D'Alene, who was second in 3:38:04 and three minutes ahead of Ralph Mulford, who was third in 3:39:56.

Resta's average speed was 84.24 miles an hour. Ralph de Palma completed 300 miles of last year's 500 mile grand at an average speed of 96.71 miles an hour.

Four men were injured, one seriously, when two of the racing cars overturned. Jack Lecain, driving a car, was killed in a serious condition as a result of overturning on the north turn. Lecain was caught under the machine.

It was announced at the hospital tonight that his skull is fractured in two places and the abdominal wall torn even and that he probably will die. He was a team mate of Ned Limberg, who was killed in the last New York race recently.

The mechanic was slightly hurt. Tom Rooney's car blew a tire and smashed into the wall at the top of the south turn. The mechanic, Jim McAllister, was thrown over the wall and was killed and car. Rooney was caught in the wreckage which slid down the track. He suffered a broken leg and dislocated shoulder.

After the one hundred and seventy-third mile, Resta had little competition for first place and the pace slowed up. Eddie Rickenbacker and John Aitken fought Resta for the lead as long as they were in the race, but engine trouble put both out. Rickenbacker in the tenth lap and Aitken in the seventy-ninth. Rickenbacker later took the wheel of Pete Henderson's car and drove it over the line in sixth place. The first ten drivers who share in the prize money finished in the following order:

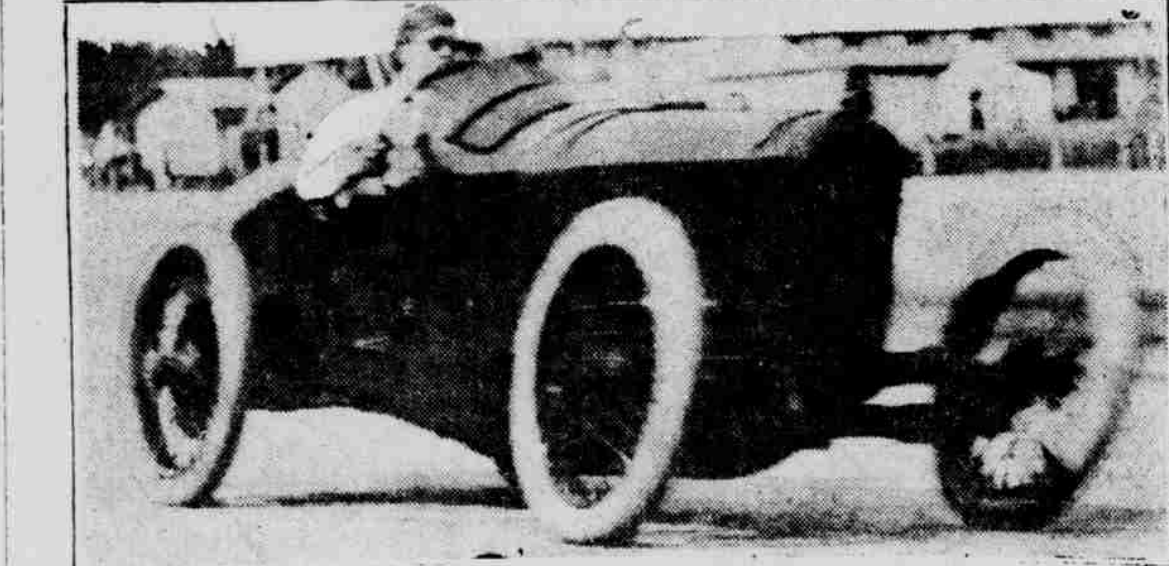

Resta, D'Alene, Mulford, Ed. Christians, Barney Oldfield, Eddie Rickenbacker, Gila Anderson (driving Howard Wilcox's car), O. F. Haibe, Arthur Johnson and Tom Allen.

Resta won the \$15,000 first prize and the usual trophies. D'Alene's reward was \$8,000 and Mulford's \$2,000. The prizes then range down to \$200 for tenth place.

The speedway management announced that 82,000 people saw the race.

SOX DEFEAT THE BRAVES

The Infield Broken Up by Using One Man to Pitch and Another to Catch Hurts Quiros Team; Sutherland's Record

Backing Sutherland's airtight pitching with faultless fielding, the White Sox yesterday handed a second defeat to the Braves, 8 to 1. Manager Quiros, short the most valuable member of his pitching staff, and compelled by the injury to Catcher Van Haren further to break up his splendid infield, found himself with a badly disorganized team in the third inning. The breaking up of the infield seemed to affect the batting, and Sutherland pitched hitless ball until Evers singled in the sixth. Sutherland did himself proud with a pair of snappy triples. The playing of Cooper on third, Bush on second and McGahey behind the bat score features.
